The 2nd December 1854.

THE following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India on the 2nd of December 1854, and is hereby promulgated for general information:—

ACT NO. XXX. OF 1854.

An Act to provide for the levy of Duties of Customs in the Arracan, Pegu, Martaban, and Tenasserim Provinces.

WHEREAS it is expedient that the Arracan,

Pegu, Martaban, and Tenasserim Provinces should

be placed, as nearly as possible, in the same position with the Provinces of Bengal and Orissa, in respect to the levy of Duties of Sea Customs; that duties of River Customs should be levied on the Northern Frontier of Pegu; that the floating down of Teak Timber, and the duties payable thereon, in certain of these Provinces, should be regulated by law; and that the exportation of munitions of war from any of these Provinces into Foreign States should be prohibited; It is enacted as follows:—

I. So much of Act VII. of 1848 as excepts the Ports of Arracan and Tenasserim from the operation of Section III. Act VI. of 1848; and so much of Sections XVIII. XIX., and XXXV. of Act I. of 1852 as relates to the said Ports, are repealed.

II. With the exceptions mentioned in Section III. of this Act, all goods imported by Sea into any part of the Arracan, Pegu, Martaban, and Tenasserim Provinces, from any Port not subject to the Government of the East

India Company, or from the Port of Aden, or from any Port in the Straits of Malacca, shall be charged with the same rates of duty as those which are or shall be charged on goods of the same description imported from the same Ports into the Provinces of Bengal or Orissa.

III. Salt imported by Sea into any part of the Arracan, Pegu, Martaban, and Tenasserim Provinces, shall be charged duty at

the rate of eight annas a maund; provided that it shall be, in respect to Arracan, in the power of the Governor or Lieutenant Governor of Bengal, and, in respect to Pegu, Martaban, and Tenasserim, in the power of the Governor General of India in Council, to fix from time to time, upon Salt imported by Sea, any lower rate of duty that may be thought proper, in order to equalize the rate of Customs Duty upon Salt imported by Sea into any of the said Provinces with the rate of Excise Duty on Salt manufactured in the same Province.

Opium imported by Sea into any part of the said Provinces shall be charged duty at the rate of twenty-four Rupees a seer, except-

ing Opium purchased at a Government Sale in Calcutta, which shall be free: provided that no Opium of any description shall be landed in the Provinces aforesaid without a pass from the Collector of Customs at the Port of landing, in default of which such Opium shall be seized and confiscated.

IV. All goods, except Teak Timber, exported by Sea from any part of the Arracan, Pegu, Martaban, and Tenasserim Provinces, to any Port not subject to the Government of the East India Company, or to the Port of Aden, or to any Port in the Straits of Malacca, shall be charged with the same rates of duty as those which are or shall

be charged upon goods of the same description exported to the same Ports from the Provinces of Bengal and Orissa. Provided that when goods, which have paid River Frontier import duty under Section VI. of this Act, are exported by Sea, under a certificate of the Collector of River Frontier Customs passed by the Collector of Sea Customs, the amount of River Frontier import Duty so paid, shall be accepted in full payment of the Sea Export Duty chargeable under this Section.

V. All the laws and rules relating to the levy of duties of Customs, which are or shall be in force in the Provinces of Bengal and Orissa, shall apply to the levy of duties of Sea Customs in the Arracan, Pegu, Martaban, and Tenasserim Provinces: provided that the powers which, in the Provinces of Bengal and Orissa, are or shall be vested in the Governor or Lieutenant-Governor of Bengal, shall be vested, in respect of Pegu, Martaban, and Tenasserim, in the Governor General of India in Council, and that the powers which, in the Provinces of Bengal and Orissa, are or shall be vested in the Board of Revenue, shall, in respect of Pegu and Martaban, be vested in the Commissioners of those Provinces respectively.

VI. All goods, excepting Bullion and Coin, Precious Stones and Pearls, Cotton Wool, Grain and Pulse, and Living Animals, which shall all be free; and excepting Spirituous Liquors and Teak Timber, for which special rules are provided; imported by the river Irrawaddy or the river Sitang from beyond the northern frontier of Pegu; shall be charged, on passing the Frontier Custom House on the Irrawaddy, or the Frontier Custom House on the Sitang, with a Duty of Customs of ten per centum *ad valorem*. Spirituous Liquors, on passing either of the said Custom Houses, shall be charged import duty at the rate of one Rupee a gallon. Teak Timber, on passing either of the said Custom Houses, shall be charged import duty at such rate as shall be fixed from time to time by the Governor General of India in Council in order to equalize the rate of duty charged on foreign Teak Timber so imported, with the price that may be fixed from time to time for permission to appropriate and remove Teak Timber of the same description growing in the forests of Pegu which are State property.

VII. Teak Timber floated down any river in the Martaban or Tenasserim Provinces, shall be charged with the same duty as that chargeable for the time being under Section VI. on Teak Timber passing a River Frontier Custom House, and this duty shall be levied at such places on the said rivers as the Governor General of India in Council shall appoint.

VIII. It shall be lawful for the Governor General of India in Council, in respect of the Pegu, Martaban, and Tenasserim Provinces, to promulgate such rules for the time and manner of the floating of Teak Timber within the said Provinces respectively, as may to him seem fit; and to prescribe

what descriptions of Teak Timber may lawfully be floated, and what descriptions of Teak Timber may not lawfully be floated, within the said Provinces respectively. And all Teak Timber found floating contrary to such rules or orders, shall be confiscated.

IX. Goods of the descriptions specified in the Schedule annexed to this Act, exported beyond the northern frontier of Pegu by the river Irrawaddy, or the river Sitang, shall be charged export duty on passing the Frontier Custom House on the Irrawaddy, or the Frontier Custom House on the Sitang, according to the rates fixed in the said Schedule; and the said Schedule shall be taken to be a part of this Act.

X. The Governor General of India in Council shall have power to fix from time to time the valuation at which any article

liable to *ad valorem* duty on passing a River Frontier Custom House shall be valued in order to the assessment of duty; and in respect of goods passing such a Custom House, which are not so valued, in case of dispute respecting their value, the Collector of Customs of the station shall have power to call on the possessor of the goods to assign the value thereof; and thereupon the Collector of Customs shall have power, if he pleases, to purchase such goods on account of Government, at the value so assigned; paying for such goods forthwith, after deducting the duty due upon them according to the value so assigned.

XI. NORTHERN LIGHT-HOUSES.

Notice to Mariners.

**WHALSEY SKERRIES, SHETLAND—
TEMPORARY LIGHT-HOUSE.**

THE Commissioners of Northern Light-houses hereby give Notice that they are at present engaged in erecting a Light-house on the Out-Skerries of Whalsey, on the Eastern Coast of the Shetland Isles, and that until the completion of the permanent Light-house, a Light will be shown from a temporary Tower, and will be exhibited for the first time on the night of Friday the 15th September, and every night thereafter, from the going away of daylight in the evening, till the return of daylight in the morning.

The following is a Specification of the Light-house, and the Appearance of the Light, by Mr. DAVID STEVENSON, Engineer to the Commissioners:—

The Light-house is situated on the Eastern part of the Island of Grana, in N. Lat. 60° 25' 24", and

• By Crocks.

W. Long. 0° 14' 20", the Bound Skerry of Whalsey bearing from the Light-house about E. by compass. The outer or seaward extremity of the Bound Skerry is about half a mile or thereby from the site of the Light-house, so that Vessels in rounding the Light must give it a wide berth. The Whalsey Light will be known to Mariners as a Revolving Light, which shows a bright White Light once in every minute.

The temporary Light will be exhibited from a Tower of Timber Frame Work, and is elevated about 108 feet above the level of high-water of ordinary spring-tides, and may be seen at the distance of about 16 nautic miles, and at lesser distances according to the state of the atmosphere. To a near observer, in favourable circumstances, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners further give notice, that by Order in Council, dated the 3rd day of July last, the following Tolls are authorized to be levied in respect of the said Light-house, viz:—

For every Vessel belonging to the United Kingdom (the same not belonging to Her Majesty, her heirs or successors, nor being navigated wholly in ballast,) and for every Foreign Vessel privileged to enter the Ports of the United Kingdom upon paying the same Duties of Tonnage as are payable by British Vessels which may pass, or derive benefit from the Light, the Toll of Two-Sixteenths of a Penny per Ton of the burthen of every such Vessel for every time of passing or deriving benefit therefrom, if on a Coasting Voyage.

For each time of passing or deriving benefit on an Oversea Voyage, One Penny per Ton for every such Vessel.

For every Foreign Vessel not navigated wholly in ballast, and not privileged in manner before specified, double the respective Tolls above set forth.

Which Tolls are liable to the following abatements on payment:—for a Coasting Voyage, Ten per cent; for an Oversea Voyage, Twenty-five per cent.

Conditions of Sale.

1st. The Opium will be sold for exportation by Sea only, and no Certificate will be granted except to cover such Export.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of the Conditions of Sale.

3rd. The Sale shall commence at the hour of 11 A. M. and shall not be continued after the hour of 5 P. M., but if at that hour any of the Lots advertised for Sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining Lots are disposed of; or if the quantity of 440 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th. Each Lot to contain five Chests.

5th. A Deposit in a Promissory Note, either for 25 per Cent. even money of the amount for which each Lot is knocked down, or for Rupees 1,000, at the discretion of the Officer superintending the Sale, shall be made by the Purchaser in the Sale Room, and before the Lot is registered in the Sale Book; and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Monday the 13th January; or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots, for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale, as the Board of Revenue shall see fit; and all losses and expenses, whatsoever, attending such Re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last-mentioned condition, if remaining unredeemed on the said 13th January, will be placed in the hands of the Attorney to the Honorable Company, for realization in such manner as to him shall seem fit.

7th. No tender of money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 13th January, will be afterwards accepted.

8th. The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Thursday, the 25th January 1855, and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per Cent. even money of the amount for which each Lot is knocked down, or Rupees 1,000 for each Lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit; and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased,

forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate of Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots of a different number of Lots or Chests, whether more or less than the number of Lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when payment in full has been made by the said Purchaser or his order.

11th. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid, or Rupees 1,000 for each Lot.

12th. With a view to prevent fictitious biddings, designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold Lot and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained; and the first *bona fide* Bidder for a Lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said Lot, and the Officer of Government superintending the Sale shall also be competent to dispose, in the same manner, of as many of the subsequent Lots as he may think proper, provided always that no Lot shall be sold below the minimum price of 400 Rupees specified in the Second Clause of these Conditions.

13th. The Purchaser of any Lot shall have the option of naming and purchasing, in immediate succession, any number of Lots, of the same Agency Opium, to the extent of Twenty-five Lots, and for the Lots so purchased, the Purchaser shall deposit for each Lot 25 per Cent. even money of the amount bid by him for the first Lot, or Rs. 1,000 for each Lot, and pay the same price per Chest as that for which he purchased his first Lot; provided always that there remain a sufficient number of Lots of that Opium to complete the said Twenty-five, but not otherwise.

14th. In the event of any dispute or difference, touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Port William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers, together with samples of the Opium for Sale, will be exhibited for

inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1. Certificate of the Opium now advertised for Sale.

No. 2. Report of the Examination of such Opium.

16th. The Public are hereby informed, that in providing the Investment of the Behar and Benares Opium, for the year 1853-54, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the Drug, when packed at Behar and Benares, and a Statement of the average weight of the Chests, indiscriminately taken, for the purpose of comparison, from the despatches, on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue; and further, that four Chests of Behar and Benares Opium, which have been reserved from the Provision of the two preceding years, will be also shown to the Purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information, respecting weight or quality of the Opium advertised for Sale, that may be desired by parties connected with the Trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred on reference to Chests, after the Sale and delivery of the Opium for shipment.

18th. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities, more or less, of Behar and Benares Opium, of 1853-54, will be brought to Sale in the year 1854, on or about the dates specified below. The Board, however, reserve to themselves the right of altering these dates, should circumstances render it expedient to do so:—

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted *belly*, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium, declared as above for Sale at the Twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November, and December, 1855, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 800 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year, within thirty days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 53,319 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose:—

Article 6th. With regard to the Trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed Three Hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much on reduction of the Three Hundred Chests heretofore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the *Government Gazette*.

NORTHERN LIGHT-HOUSES.

Notice to Mariners.

WHALSEY SKERRIES, SHETLAND—TEMPORARY LIGHT-HOUSE.

THE Commissioners of Northern Light-houses hereby give Notice that they are at present engaged in erecting a Light-house on the Out-Skerries of Whalsey, on the Eastern Coast of the

* By Crooks.

Shetland Isles, and that until the completion of the permanent Light-house, a Light will be shown from a temporary Tower, and will be exhibited for the first time on the night of Friday the 15th September, and every night thereafter, from the going away of day-light in the evening, till the return of day-light in the morning.

The following is a Specification of the Light-house, and the Appearance of the Light, by Mr. DAVID STEVENSON, Engineer to the Commissioners:—

The Light-house is situated on the Eastern part of the Island of Gruna, in N. Lat. 60° 25' 24", and W. Long. 0° 44' 20", the Bound Skerry of Whalsey bearing from the Light-house about E. by compass. The outer or seaward extremity of the Bound Skerry is about half a mile or thereby from the site of the Light-house, so that Vessels in rounding the Light must give it a wide berth.

The Whalsey Light will be known to Mariners as a Revolving Light, which shows a bright White Light once in every minute.

The temporary Light will be exhibited from a Tower of Timber Frame Work, and is elevated about 108 feet above the level of high-water of ordinary spring-tides, and may be seen at the distance of about 16 nautic miles, and at lesser distances according to the state of the atmosphere. To a near observer, in favourable circumstances, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners further give notice, that by Order in Council, dated the 3rd day of July last, the following Tolls are authorized to be levied in respect of the said Light-house, viz:—

For every Vessel belonging to the United Kingdom (the said not belonging to Her Majesty, her heirs or successors; nor being navigated wholly in ballast,) and for every Foreign Vessel privileged to enter the Ports of the United Kingdom upon paying the same Duties of Tonnage as are payable by British Vessels which may pass or derive benefit from the Light, the Toll of Two-Sixteenths of a Penny per Ton of the burthen of every such Vessel for every time of passing or deriving benefit therefrom, if on a Coasting Voyage.

For each time of passing or deriving benefit on an Oversea Voyage, One Penny per Ton for every such Vessel.

For every Foreign Vessel not navigated wholly in ballast, and not privileged in manner before specified, double the respective Tolls above set forth.

Which Tolls are liable to the following Abatements on payment:—for a Coasting Voyage, Ten per cent; for an Oversea Voyage, Twenty-five per cent.

NORTHERN LIGHT-HOUSES.

Notice to Mariners.

WHALSEY SKERRIES, SHETLAND— TEMPORARY LIGHT-HOUSE.

THE Commissioners of Northern Light-houses hereby give Notice that they are at present engaged in erecting a Light-house on the Out-Skerries of Whalsey, on the Eastern Coast of the Shetland Isles, and that until the completion of the permanent Light-house, Light will be shown from a temporary Tower, and will be exhibited for the first time on the night of Friday the 15th September, and every night thereafter, from the going away of day-light in the evening, till the return of day-light in the morning.

The following is a Specification of the Light-house, and the Appearance of the Light, by Mr DAVID STEVENSON, Engineer to the Commissioners:—

The Light-house is situated on the Eastern part of the Island of Orkney, in N. Lat. 60° 25' 24", and W. Long. 0° 44' 20", the Bound Skerry of Whalsey bearing from the Light-house about E. by compass. The outer or seaward extremity of the Bound Skerry is about half a mile or thereby from the site of the Light-house, so that Vessels in rounding the Light must give it a wide berth.

The Whalsey Light will be known to Mariners as a Revolving Light, which shows a bright White Light once in every minute.

The temporary Light will be exhibited from a Tower of Timber Frame Work, and is elevated 11 feet above the level of high-water, and at ordinary spring-tides, and may be seen at the distance of about 15 nautic miles, and at lesser distances according to the state of the atmosphere. To a near observer, in favourable circumstances, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners further give notice, that by Order in Council, dated the 3rd day of July last, the following Tolls are authorized to be levied in respect of the said Light-house, viz:—

For every Vessel belonging to the United Kingdom (the same not belonging to Her Majesty, Her Heirs or successors, nor being navigated wholly in ballast,) and for every Foreign Vessel privileged to enter the Ports of the United Kingdom, upon paying the same Duties of Tonnage as are payable by British Vessels which may pass or derive benefit from the Light, the Toll of Sixpence of a Penny per Ton of the burden of every such Vessel for every time of passing or

deriving benefit therefrom, if on a Coasting Voyage.

For each time of passing or deriving benefit on an Oversea Voyage, One Penny per Ton for every such Vessel.

For every Foreign Vessel not navigated wholly in ballast, and not privileged in manner before specified, double the respective Tolls above set forth.

Which Tolls are liable to the following abatements on payment:—for a Coasting Voyage, Ten per cent; for an Oversea Voyage, Twenty-five per cent.

Legislative Council.

The 16th December 1854.

THE following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India on the 16th of December 1854, and is hereby promulgated for general information:—

ACT No. XXXI. OF 1854.

An Act to abolish real actions and also fines and common recoveries, and to simplify the modes of conveying land in cases to which the English Law is applicable.

Preamble. WHEREAS it is expedient, in cases to which the English law applies, to abolish real actions and also fines and common recoveries, and to simplify the modes of conveying land, and to exempt the purchasers of trust property from the liability to see to the application of the purchase money, it is enacted as follows:—

I. All real actions, fines and common recoveries, except such as may be in progress when this Act comes into operation, are abolished.

II. Every tenant in tail or other owner of an estate of inheritance less than an estate in fee simple, either at law or in equity, in any lands or hereditaments, not being under any disability, shall have power to dispose of such lands and hereditaments against the issue in tail and all persons whose estates are to take effect after the determination or in defeasance of his own, or to enlarge his said estate into an estate in fee simple, by any deed declaring an intention so to dispose of the said lands or hereditaments, or to enlarge his estate therein; and every tenant in tail or other owner of an estate of inheritance less than an estate in fee simple, who shall be under the disability of coverture, shall have power to dispose of or enlarge her said estate in manner aforesaid, by any deed declaring her intention so to do, and acknowledged by her as hereinafter mentioned. Provided that every disposition under this Section shall be subject to the rights of all persons in respect of estates prior to the estate tail or other estate of inheritance which is the subject of such disposition, and the rights of all other persons except those against whom such disposition is by this Act authorized to be made.

III. Every married woman who, either alone or jointly with her husband, is possessed of, or entitled to any estate or interest in, or any power to be exercised over any lands or hereditaments, which, but for the passing of this Act, she might have disposed of or extinguished by levying a fine, or suffering a recovery, or by joining in either of such assurances, shall have power by deed, to be acknowledged by her as hereinafter mentioned, to dispose of, release, surrender, or extinguish any such estate, interest, or power, as fully and effectually as if she were an unmarried woman.

IV. The provisions of the last two preceding Sections shall, so far as circumstances will admit, apply to money subject to be invested in lands or other hereditaments.

V. No deed to be executed by a married woman under the provisions hereinafter contained shall, so far as regards the interest of such married woman, be valid or effectual, unless her husband concurs therein, nor unless the deed be acknowledged in manner hereinafter prescribed.

Execution of deeds by married women. A married woman, with her husband's concurrence, empowered to dispose of her estate by deed acknowledged, &c.

scribed before a Judge of one of Her Majesty's Supreme Courts, or before a Judge or other Government officer of the East India Company exercising civil jurisdiction in the place wherein such deed shall be acknowledged, or before some Commissioner appointed either specially for the occasion, or appointed as a permanent Commissioner by one of Her Majesty's said Courts to take such acknowledgments.

VI. If the husband of any married woman, desirous of enlarging, passing, or destroying any estate, interest, or power, by a deed to be acknowledged by her under this Act, shall be a lunatic, idiot, or of unsound mind, whether he shall have been found such by inquisition or not, or from any other cause shall be incapable of executing a deed, or if his residence shall not be known, or if he shall be in prison, or living apart from his wife either by mutual consent, or by sentence of divorce, or in consequence of his being transported beyond the seas, or from any other cause whatever, it shall be lawful for any of Her Majesty's said Courts, by an order to be made in a summary way upon the application of such married woman, and upon such evidence as to the Court shall seem meet, to dispense with the concurrence of her husband in the deed so to be acknowledged; and any deed to be executed or acknowledged by her in pursuance of such order shall (but without prejudice to the rights of her husband as then existing, independently of this Act) be as valid and effectual as if he had concurred therein.

VII. It shall be lawful for any of Her Majesty's said Courts to appoint, by its order, under the seal of the Court, to be published in the *Government Gazette*, or otherwise as the Court shall direct, permanent Commissioners, either by name or office, and to appoint from time to time, under special Commissions. Special Commissioners, any one of whom shall be authorized and empowered, unless the Act is directed to be done before more than one, to take the acknowledgment of any deed by any married woman, who, by reason of her place of residence, or ill health, or other sufficient cause, shall be unable to make such acknowledgment before one of the Judges or other Officers described in the preceding Section.

VIII. Every such Judge, Officer, or Commissioner as aforesaid, before he shall receive the acknowledgment by any married woman of any deed to be acknowledged by her under this Act shall examine her apart from her husband, touching her knowledge of such deed, and shall ascertain whether she understands its object, and freely and voluntarily consents to the same, and unless she appears to understand its object, and freely and voluntarily to consent to such deed, he shall not permit her to acknowledge the same, and in such case, such deed, so far as relates to the execution thereof by such married woman, shall be void.

IX. Every Judge, Officer, or Commissioner, taking such acknowledgment under this Act, shall, at the time of taking the same, sign a memorandum to be endorsed

on or written at the foot or in the margin of such deed, which memorandum shall be to the following effect, namely, "this deed marked () was this day produced before me and acknowledged by therein named, to be her act and deed, previous to which acknowledgment the said was examined by me separately and apart from her husband, touching her knowledge of the contents of the said deed and her consent thereto, and appeared to understand the same, and declared the same to be freely and voluntarily executed by her."

X. Every deed executed by a married woman and hereby required to be acknowledged, shall, so far as regards the interest of such married woman, take effect only from the time of the acknowledgment thereof.

XI. It shall not be necessary for any person producing a deed so acknowledged in any Court of Justice, to prove the handwriting or authority of the Judge or other Officer, or the Commissioner taking such acknowledgment, but if such memorandum purports to have been in substance regularly made and signed, the deed shall be presumed to have been duly acknowledged by the party, until the contrary is shown.

XII. Nothing in this Act contained shall abridge, extend, or affect the powers of alienation or disposition, which any married woman might have exercised over any property or rights, otherwise than by levying a fine or suffering a recovery, or by joining in one of such assurances before the passing of this Act.

XIII. In any deed or will executed after this Act comes into operation, and disposing of immovable property situate in the territories in the possession and under the Government of the East India Company, wherein contingent estates are limited without the appointment of any trustees to preserve such contingent estates, the same shall be, to all intents and purposes, as effectually protected by the law, as if such trustees had been duly appointed.

XIV. Any estate or interest in immovable property, situate within the said territories, whether in possession, remainder, or reversion, may, in addition to any other mode of conveyance or release, which is now valid, be conveyed, passed, or released by a simple deed, whether such deed operates under the Statute of Uses or not.

XV. No conveyance of any kind shall operate to destroy, impair, or affect any estate or interest, which the conveying party has no right to destroy, impair, or affect, or beyond the extent to which he may impair or affect the same.

If husband be lunatic, &c., Court may allow acknowledgment by deed without his concurrence, saving right of the husband, &c.

Deed of married woman to take effect from time of acknowledgment.

Deed when presumed to have been duly acknowledged.

Supreme Courts may appoint, for the purpose of taking such acknowledgment, permanent or special Commissioners.

Nothing in this Act to abridge the powers of alienation which a married woman possessed before.

Contingent estates in deeds or wills, without trustees to preserve, to be protected by the law from destruction.

Such married woman to be examined apart before Judge, &c., touching her acknowledgment.

Estate may be conveyed, &c., by deed, though not operating under the Statute of Uses.

Judge, &c., shall sign a memorandum of acknowledgment—form of it.

XVI. It shall not be necessary in any deed relating to immoveable property situate within the said territories, to be executed after the passing of this Act, to add words of limitation to heirs, when the intention is to give the absolute interest to a person and his heirs general; but a gift, grant, or other conveyance of immoveable property to, or in favor of any person, shall be taken to give him the entire and absolute interest in the nature of an estate in fee simple, unless such construction is rendered inadmissible by the other contents of the deed; and when in any deed or will executed after the passing of this Act any property is given to a person for life or for other freehold interest, and afterwards in the same deed, or will, is limited to his heirs or heir special, the estate shall not unite, but the limitation to the heirs shall be a limitation of an estate to be taken by the heirs by purchase.

Words of limitation not necessary in a deed, to give estate by inheritance.

XVII. When any property is sold, the proceeds of which are subject to any trust, the *bona-fide* purchaser of the property shall not in any case be bound to see to the application of the purchase-money to the purposes of the trust.

Estate limited to heirs shall not unite with a prior life estate.

XVIII. Nothing in this Act contained shall extend to any case to which the English Law is not applicable.

XIX. The term "Her Majesty's Supreme Courts" shall include the Court of Judicature of Prince of Wales' Island, Singapore, and Malacca.

Bona-fide purchaser or not required to see to application of trust-money in any case.

Act to apply only to cases governed by English Law.

5th. A Deposit in a Promissory Note, either for 25 per Cent. even money of the amount for which each Lot is knocked down, or for Rupees 1,000, at the discretion of the Officer superintending the Sale, shall be made by the Purchaser in the Sale Room, and before the Lot is registered in the Sale Book; and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Monday the 15th January; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots, for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale, as the Board of Revenue shall see fit; and all losses and expenses, whatsoever, attending such Re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last-mentioned condition, if remaining undecorated on the said 15th January, will be placed in the hands of the Attorney to the Honorable Company, for realization in such manner as to him shall seem fit.

7th. No tender of money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 15th January, will be afterwards accepted.

8th. The Opium now advertized for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 p. m. of Thursday, the 25th January 1855, and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per Cent. even money of the amount for which each Lot is knocked down, or Rupees 1,000 for each Lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit; and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots of a different number of Lots or Chests, whether more or less than the number of Lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale-Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when payment in full has been made by the said Purchaser or his order.

11th. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time of deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid, or Rupees 1,000 for each Lot.

12th. With a view to prevent fictitious biddings, designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold Lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained; and the first *bona fide* Bidder for a Lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said Lot, and the Officer of Government superintending the Sale shall also be competent to dispose, in the same manner, of as many of the subsequent Lots as he may think proper, provided always that no Lot shall be sold below the minimum price of 400 Rupees specified in the Second Clause of these Conditions.

13th. The Purchaser of any Lot shall have the option of naming and purchasing, in immediate succession, any number of Lots, of the same Agency Opium, to the extent of Twenty-five Lots, and for the Lots so purchased, the Purchaser shall deposit for each Lot 25 per Cent. even money of the amount bid by him for the first Lot, or Rs. 1,000 for each Lot, and pay the same price per Chest as that for which he purchased his first Lot, provided always that there remain a sufficient number of Lots of that Opium to complete the said Twenty-five, but not otherwise.

14th. In the event of any dispute or difference, touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1. Certificate of the Opium now advertized for Sale.

No. 2. Report of the Examination of such Opium.

16th. The Public are hereby informed, that in providing the Investment of the Behar and Benares Opium, for the year 1853-54, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the Drug, when packed at Behar and Benares, and a Statement of the average weight of the Chests, indiscriminately taken, for the purpose of compensation, from the despatches, on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue; and further, that four Chests of Behar and Benares Opium, which have been reserved from the Provision of the two preceding years, will be also shown to the Purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information, respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred on reference to Chests, after the Sale and delivery of the Opium for shipment.

18th. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities, more or less, of Behar and Benares Opium, of 1853-54, will be brought to Sale in the year 1855, on or about the dates specified below. The Board, however, reserve to themselves

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium, declared as above for Sale at the Twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November, and December, 1855, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year, within thirty days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 53,319 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them, out of the quantity advertised for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose :—

"Article 6th. With regard to the Trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by

them, the number of Chests so applied for, provided that such supply shall not exceed Three Hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much on reduction of the Three Hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed, to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the *Government Gazette*."

THE following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India on the 16th of December 1854, and is hereby promulgated for general information:—

ACT No. XXXI. OF 1854.

An Act to abolish realactions and also fines and common recoveries, and to simplify the modes of conveying land in cases to which the English Law is applicable.

WHEREAS it is expedient, in cases to which the English law applies, to abolish real actions and also fines and common recoveries, and to simplify the modes of conveying land, and to exempt the purchasers of trust property from the liability to see to the application of the purchase money, it is enacted as follows:—

I. All realactions, fines and common recoveries, except such as may be in progress when this Act comes into operation, are abolished.

II. Every tenant in tail or other owner of an estate of inheritance less than an estate in fee simple, either at law or in equity, in any lands or hereditaments, not being under any disability, shall have power to dispose of such lands and hereditaments against the issue in tail and all persons whose estates are to take effect after the determination or in defeasance of his own, or to enlarge his said estate into an estate in fee simple, by any deed declaring an intention so to dispose of the said lands or hereditaments, or to enlarge his estate therein; and every tenant in tail or other owner of an estate of in-

heritance less than an estate in fee simple, who shall be under the disability of coverture, shall have power to dispose of or enlarge her said estate in manner aforesaid, by any deed declaring her intention so to do, and acknowledged by her as hereinafter mentioned. Provided that every disposition under this Section shall be subject to the rights of all persons in respect of estates prior to the estate tail or other estate of inheritance which is the subject of such disposition, and the rights of all other persons except those against whom such disposition is by this Act authorized to be made.

III. Every married woman who, either alone or jointly with her husband, is possessed of, or entitled to any estate or interest in, or any power to be exercised over any lands or hereditaments, which, but for the passing of this

Act, she might have disposed of or extinguished by levying a fine, or suffering a recovery, or by joining in either of such assurances, shall have power by deed, to be acknowledged by her as hereinafter mentioned, to dispose of, release, surrender, or extinguish any such estate, interest, or power, as fully and effectually as if she were an unmarried woman.

IV. The provisions of the last two preceding Sections shall, so far as circumstances will admit, apply to money subject to be invested in lands or other hereditaments.

V. No deed to be executed by a married woman under the provisions hereinbefore contained shall, so far as regards the interest of such married woman, be valid or effectual, unless her husband concur therein, nor unless the deed be acknowledged in manner hereinafter pro-

scribed before a Judge of one of Her Majesty's Supreme Courts, or before a Judge or other covenanted officer of the East India Company exercising civil jurisdiction in the place wherein such deed shall be acknowledged, or before some Commissioner appointed either specially for the occasion, or appointed as a permanent Commissioner by one of Her Majesty's said Courts to take such acknowledgments.

VI. If the husband of any married woman, desirous of enlarging, power, or destroying any estate, interest, or power, by a deed to be acknowledged by her under this Act, shall be a lunatic, idiot, or of unsound mind, whether he shall have been found such by inquisition or not, or from any other cause shall be incapable of executing a deed, or if his residence shall not be known, or if he shall be in prison, or living apart from his wife either by mutual consent, or by sentence of divorce, or in consequence of his being transported beyond the seas, or from any other cause whatever, it shall be lawful for any of Her Majesty's said Courts, by an order to be made in a summary way upon the application of such married woman, and upon such evidence as to the Court shall seem meet, to dispense with the concurrence of her husband in the deed so to be acknowledged; and any deed to be executed or acknowledged by her in pursuance of such order shall (but without prejudice to the rights of her husband as then existing, independently of this Act) be as valid and effectual as if he had concurred therein.

VII. It shall be lawful for any of Her Majesty's said Courts to appoint, by its order, under the seal of the Court, to be published in the Government Gazette, or otherwise as the Court shall direct, permanent Commissioners, either by name or office, and to appoint from time to time, under special Commissions, Special Commissioners, any one of whom shall be authorized and empowered, unless the Act is directed to be done before more than one, to take the acknowledgment of any deed by any married woman, who, by reason of her place of residence, or ill health, or other sufficient cause, shall be unable to make such acknowledgment before one of the Judges or other Officers described in the preceding Section.

XIII. Every such Judge, Officer, or Commissioner as aforesaid, before he shall receive the acknowledgment by any married woman of any deed to be acknowledged by her under this Act shall examine her apart from her husband, touching her knowledge of such deed, and shall ascertain whether she understands its object, and freely and voluntarily consents to the same, and unless she appears to understand its object, and freely and voluntarily to consent to such deed, he shall not permit her to acknowledge the same, and in such case, such deed, so far as relates to the execution thereof by such married woman, shall be void.

IX. Every Judge, Officer, or Commissioner, taking such acknowledgment under this Act, shall, at the time of taking the same, sign a memorandum to be endorsed

on or written at the foot or in the margin of such deed, which memorandum shall be to the following effect, namely, "this deed marked () was this day produced before me and acknowledged by therein named, to be her act and deed, previous to which acknowledgment the said was examined by me separately and apart from her husband, touching her knowledge of the contents of the said deed and her consent thereto, and appeared to understand the same, and declared the same to be freely and voluntarily executed by her."

X. Every deed executed by a married woman and heraly required, to be acknowledged, shall, so far as regards the interest of such married woman, take effect only from the time of the acknowledgment thereof.

XI. It shall not be necessary for any person producing a deed so acknowledged in any Court of Justice, to prove the handwriting or authority of the Judge or other Officer, or the Commissioner taking such acknowledgment, but if such memorandum purports to have been in substance regularly made and signed, the deed shall be presumed to have been duly acknowledged by the party, until the contrary is shown.

XII. Nothing in this Act contained shall abridge, extend, or affect the powers of alienation or disposition, which any married woman might have exercised over any property or rights, otherwise than by levying a fine or suffering a recovery, or by joining in one of such assurances before a Judge or Officer.

XIII. In any deed or will executed after this Act comes into operation, and disposing of immovable property situate in the territories in the possession and under the Government of the East India Company, wherein contingent estates are limited without the appointment of any trustees to preserve such contingent estates, the same shall be, to all intents and purposes, as effectually protected by the law, as if such trustees had been duly appointed.

XIV. XV. No conveyance of any kind shall operate to destroy, impair, or affect any estate or interest which the conveying party has no right to destroy, impair, or affect, or beyond the extent to which he may impair or affect the same.

XVI. It shall not be necessary in any deed relating to immoveable property situated within the said territories, to be executed after the passing of this Act, to add words of limitation to heirs, when the intention is to give the absolute interest to a person and his heirs general; but a gift, grant, or other conveyance of immoveable property to, or in favor of any person, shall be taken to give him the entire and absolute interest in the nature of an estate in fee simple, unless such construction is rendered inadmissible by the other contents of the deed; and when in any deed or will executed after the passing of this Act any property is given to a person for life or for other freehold interest, and afterwards in the same deed, or will, is limited to his heirs or their special, the estates shall not unite, but the limitation to the heirs shall be a limitation of his estate to be taken by the heirs by purchase.

XVII. When any property is sold, the proceeds of which are subject to any trust, the bond-fide purchaser of the property shall not in any case be bound to see to the application of the purchase-money to the purposes of the trust.

XVIII. Nothing in this Act contained shall extend to any case to which the English Law is not applicable.

XIX. The term "Her Majesty's Supreme Courts" shall include the Court of Judicature of Prince of Wales Island, Singapore, and Malacca.

The 16th December 1854.

THE following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India on the 16th of December 1854, and is hereby promulgated for general information:—

Act No XXXII. of 1854.

An Act to facilitate inquiries respecting the alleged use of Torture in the Presidency of Fort St. George.

WHEREAS the Governor of Fort St. George in Council has nominated and appointed Edward Francis Elliot, Esquire, Chief Magistrate and Superintendent of Police of Madras, Hulseston Stokes, Esquire, Acting Collector of Madras, and John Bruce Norton, Esquire, Barrister at Law, Commissioners to make certain inquiries and investigations relating to the alleged use of torture in that Presidency; and whereas it is expedient that the said Commissioners and all other Officers who have been, or shall be authorized or required to make such inquiries, should be vested with certain legal powers: It is enacted as follows:—

1. It shall be lawful for the Commissioners, or any one of them, by a summons under their hands, or under the hand of either of them, to require the attendance before them, at a time and place to be

mentioned in such summons, of any person or persons whomsoever residing or being within the legal limits of the jurisdiction of the Supreme Court of Judicature at Fort St. George, whose evidence shall, in the judgment of the Commissioners aforesaid, be material to any inquiry relating to the use of torture in the said Presidency, which the said Commissioners have been or may be directed by the said Governor in Council to make, and to require the person or persons so summoned to bring and produce before them all such books, papers, deeds, and writings, as to them, the said Commissioners, shall appear necessary for arriving at the truth of the matters directed to be inquired into by the said Commissioners, all which persons shall accordingly attend the said Commissioners, and shall produce such books, papers, deeds, and writings as shall be required of them, and shall be in their custody and control, or in the custody and control of any one of them, according to the tenor of the summons.

II. If any person upon whom any such summons shall be served, by the delivery thereof to him, or by the leaving thereof at his usual place of abode, shall, without reasonable cause (to be allowed by the Commissioners aforesaid,) fail to appear before them at the time and place mentioned in the summons, or shall refuse to be sworn or to make affirmation (as the case may be), or shall not make answer to such questions as shall be put to him touching the matters directed, or which may hereafter be directed, to be inquired into by the said Commissioners, or shall refuse or fail, without reasonable cause (to be allowed by the said Commissioners), to produce and show to the said Commissioners any such paper, book, deed, or writing, being in his possession or under his control, as to the said Commissioners shall appear necessary for arriving at the truth of the matters directed to be inquired into, the said Commissioners shall have the same powers in all respects touching any such person so failing to appear, or refusing to be sworn or to make affirmation, or not answering such questions as shall be put to him, or refusing to produce and show any such book, paper, deed, or writing, as aforesaid, as the said Supreme Court of Judicature may by law exercise against any person for making default of appearance, or for refusing to be sworn, or to give evidence on any issue joined in any action depending in such Court.

III. Every Judge, Collector, Magistrate, or other Officer, who shall be authorized or required by the said Governor in Council to make any inquiry relative to the use of torture in any part of the said Presidency, and to compel the attendance of witnesses upon such inquiry, shall have and exercise all or any of the powers conferred by Section VIII. of Act No. XXXVII. of 1850 upon Commissioners appointed under that Act; and all the provisions of that Section, and of Section IX. of the same Act, shall be applicable for the protection of every Officer appointed to make any such inquiry as aforesaid; and also for the purpose of compelling the attendance of witnesses, and the production of documents upon an inquiry; and for the punishment of persons disobeying any lawful process issued for the purpose of compelling such attendance or production of documents.

IV. If the said Commissioners require the examination of witnesses beyond the jurisdiction of the Supreme Court of Judicature at Port St. George, or if any such Judge, Collector, Magistrate, or other Officer, who hath been, or shall be authorized to make any enquiry relating to the use of torture, shall require the evidence of any person residing or being beyond the limits of the ordinary jurisdiction of such Judge, Collector, Magistrate, or other Officer, it shall be lawful for the person or persons requiring such evidence, by a letter to be signed by him or them, to request any Judge, Collector, Magistrate, or other Officer having by law power to examine witnesses upon oath, to examine such witness upon interrogatories to be sent with the letter, or according to instructions to be sent therewith, as to the point or points upon which the evidence of the witness is required; and the Judge, Collector, Magistrate, or other Officer to whom such letter shall be directed, shall examine the witness, or cause him to be examined upon oath or affirmation accordingly.

V. Every Judge, Collector, Magistrate, or other Officer, to whom such letter of request shall be sent, shall have the same powers for compelling the attendance of the witness, for examining or causing him to be examined upon oath or affirmation, and for punishing him for any contempt or for refusing to attend or give evidence, as if the evidence of such witness were required in any matter within the ordinary jurisdiction of such Judge, Collector, Magistrate, or other Officer.

VI. Every witness, who shall be required to attend or give evidence under the provisions of this Act, shall be entitled to a reasonable sum for his expenses of travelling to and from, and remaining at the place at which he is required to attend.

VII. No person shall be excused from answering any question put to him by the said Commissioners, or any of them, or by any such Judge, Collector, Magistrate, or other Officer as aforesaid, upon the ground of any privilege, nor on the ground that the answer to such question will tend to criminate such person; but no statement made by any person in answer to any such question shall, except for the purpose of punishing such person for wilfully giving false evidence upon such examination, be admissible in evidence in any proceeding, Civil or Criminal; and every person who, upon such examination, shall be compelled to give evidence which may tend to expose him to penal consequences, shall be freed from all penal actions, forfeitures, punishments, disabilities, and incapacities, and all criminal prosecutions, to which he may have been, or may become liable or subject within any part of the territories in the possession and under the Government of the East India Company, for any thing done by such person in respect of any act relating to which he shall be examined, unless the Commissioners or Commissioner, Judge, Collector, Magistrate, or other Officer who shall have examined such witness, shall certify in writing, under their or his hands or hand, that such witness is not entitled to the protection lastly hereinbefore given, on the ground that he has not made a full

and true disclosure touching all matters to which he has been so examined.

VIII. It shall be lawful for the said Commissioners, or one of them, or for any such Judge, Collector, Magistrate, or other Officer as aforesaid, to administer an oath, or, in the case of persons allowed by law to make affirmation instead of taking an oath, an affirmation, in such form as to them, the said Commissioners, shall seem fit, to all persons who shall be examined before them, touching the matters directed, or which may be directed, to be inquired into by them as aforesaid.

IX. Every person who upon examination, upon oath or affirmation, before the said Commissioners, or before any such Judge, Collector, Magistrate, or other Officer as aforesaid, shall wilfully give false evidence, shall be liable to the pains and penalties of perjury.

X. No action shall be brought against the Commissioners aforesaid, or any other person or persons whatsoever, for any thing done in the execution of this Act, unless such action shall be brought within six Calendar months next after the doing of such thing.

XI. In case of the death or resignation of either of the said Commissioners, or in the event of either of them becoming incapable of acting, it shall be lawful for the other Commissioners, either alone or jointly with any other person who may be appointed to act in the room of the Commissioner so dying, resigning, or becoming incapable of acting, to exercise all the powers of this Act; and every part of this Act shall be deemed to apply to the substituted Commissioner.

III. Every Judge, Collector, Magistrate, or

other Officer, who shall be authorized or required by the said Governor in Council to make any inquiry relative to the use of torture in any part of the said Presidency, and to compel the attendance of witnesses upon such inquiry, shall have and exercise all or any of the powers conferred by Section VIII. of Act No. XXXVII. of 1850 upon Commissioners appointed under that Act; and all the provisions of that Section, and of Section IX. of the same Act, shall be applicable for the protection of every Officer appointed to make any such inquiry as aforesaid; and also for the purpose of compelling the attendance of witnesses, and the production of documents upon such inquiry; and for the punishment of persons disobeying any lawful process issued for the purpose of compelling such attendance or production of documents.

IV. If the said Commissioners require the examination of any person residing or being beyond the local limits of the jurisdiction of the Supreme Court of Judicature at Fort St. George, or if any such Judge, Collector, Magistrate, or other Officer, who hath been, or shall be authorized to make any enquiry relating to the use of torture, shall require the evidence of any person residing or being beyond the limits of the ordinary jurisdiction of such Judge, Collector, Magistrate, or other Officer, it shall be lawful for the person or persons requiring such evidence, by a letter to be signed by him or them, to request any Judge, Collector, Magistrate, or other Officer having by law power to examine witnesses upon oath, to examine such witness upon interrogatories to be sent with the letter, or according to instructions to be sent therewith, as to the point or points upon which the evidence of the witness is required; and the Judge, Collector, Magistrate, or other Officer to whom such letter shall be directed, shall examine the witness, or cause him to be examined upon oath or affirmation accordingly.

V. Every Judge, Collector, Magistrate, or other Officer, to whom such letter of request shall be sent, shall have the same powers for compelling the attendance of the witness, for examining or causing him to be examined upon oath or affirmation, and for punishing him, for any contempt or for refusing to attend or give evidence, as if the evidence of such witness were required in any matter within the ordinary jurisdiction of such Judge, Collector, Magistrate, or other Officer.

VI. Every witness, who shall be required to attend or give evidence under the provisions of this Act, shall be entitled to a reasonable sum for his expenses of travelling to and from, and remaining at the place at which he is required to attend.

VII. No person shall be excused from answering any question put to him by the said Commissioners, or any of them, or by any such Judge, Collector, Magistrate, or other Officer as aforesaid, upon the ground of any privilege, nor on the ground that the answer to such question will tend to criminate such person; but no statement made by any person in answer to any such question shall, except for the purpose of punishing such person for wilfully giving false evidence upon such examination, be admissible in evidence in any proceeding, Civil or Criminal; and every person who, upon such examination, shall be compelled to give evidence which may tend to expose him to penal consequences, shall be freed from all penal actions, forfeitures, punishments, disabilities, and incapacities, and all criminal prosecutions, to which he may have been, or may become liable or subject within any part of the territories in the possession and under the Government of the East India Company, for any thing done by such person in respect of any acts relating to which he shall be examined, unless the Commissioners or Commissioner, Judge, Collector, Magistrate, or other Officer who shall have examined such witness, shall certify in writing, under their or his hands or hand, that such witness is not entitled to the protection lastly hereinbefore given, on the ground that he has not made a full

and true disclosure touching all matters to which he has been so examined.

VIII. It shall be lawful for the said Commissioners, or one of them, or for any such Judge, Collector, Magistrate, or other Officer as aforesaid, to administer an oath, or, in the case of persons allowed by law to make affirmation instead of taking an oath, an affirmation, in such form as to them, the said Commissioners, shall seem fit, to all persons who shall be examined before them, touching the matters directed, or which may be directed, to be inquired into by them as aforesaid.

IX. Every person who upon examination, upon oath or affirmation, before the said Commissioners, or before any such Judge, Collector, Magistrate, or other Officer as aforesaid, shall wilfully give false evidence, shall be liable to the pains and penalties of perjury.

X. No action shall be brought against the Commissioners aforesaid, or any other person or persons whomsoever, for any thing done in the execution of this Act, unless such action shall be brought within six Calendar months next after the doing of such thing.

XI. In case of the death or resignation of either of the said Commissioners, or in the event of either of them becoming incapable of acting, it shall be lawful for the other Commissioners, either alone or jointly with any other person who may be appointed to act in the room of the Commissioner so dying, resigning, or becoming incapable of acting, to exercise all the powers of this Act; and every part of this Act shall be deemed to apply to the substituted Commissioner.

4th. Each Lot to contain five Chests.

5th. A Deposit in a Promissory Note, either for 25 per Cent. even money of the amount for which each Lot is knocked down, or for Rupees 1,000, at the discretion of the Officer superintending the Sale, shall be made by the Purchaser in the Sale Room, and before the Lot is registered in the Sale Book; and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Monday the 15th January; or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots, for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale, as the Board of Revenue shall see fit; and all losses and expenses, whatsoever, attending such Re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last-mentioned condition, if remaining unredeemed on the said 15th January, will be placed in the hands of the Attorney to the Honorable Company, for realization in such manner as to him shall seem fit.

7th. No tender of money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 15th January, will be afterwards accepted.

8th. The Opium now advertized for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Thursday, the 25th January 1855, and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash deposit of 25 per Cent. even money of the amount for which each Lot is knocked down, or Rupees 1,000 for each Lot, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit; and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased,

forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of Lots of their purchase which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single Lots of a different number of Lots or Chests, whether more or less, than the number of Lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when payment in full has been made by the said Purchaser or his order.

11th. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a deposit, either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid, or Rupees 1,000 for each Lot.

12th. With a view to prevent fictitious biddings, designed to obstruct the Sale, it is hereby notified, that the Officer of Government superintending the Sale shall be competent, at any time during the Sale, to withdraw any unsold Lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained; and the first bona fide Bidder for a Lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said Lot, and the Officer of Government superintending the Sale shall also be competent to dispose, in the same manner, of as many of the subsequent Lots as he may think proper, provided always that no Lot shall be sold below the minimum price of 400 Rupees specified in the Second Clause of these Conditions.

13th. The Purchaser of any Lot shall have the option of naming and purchasing, in immediate succession, any number of Lots, of the same Agency Opium, to the extent of Twenty-five Lots, and for the Lots so purchased, the Purchaser shall deposit for each Lot 25 per Cent. even money of the amount bid by him for the first Lot, or Rs. 1,000 for each Lot, and pay the same price per Chest as that for which he purchased his first Lot, provided always that there remain a sufficient number of Lots of that Opium to complete the said Twenty-five, but not otherwise.

14th. In the event of any dispute or difference, touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and plea to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers, together with samples of the Opium for Sale, will be exhibited for

inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue :—

No. 1. Certificate of the Opium now advertized for Sale.

No. 2. Report of the Examination of such Opium.

16th. The Public are hereby informed, that in providing the Investment of the Behar and Benares Opium, for the year 1853-54, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the Drug, when packed at Behar and Benares, and a Statement of the average weight of the Chests, indiscriminately taken, for the purpose of comparison, from the despatches, on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue; and further, that four Chests of Behar and Benares Opium, which have been reserved from the Provision of the two preceding years, will be also shown to the Purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information, respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred on reference to Chests, after the Sale and delivery of the Opium for shipment.

18th. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities, more or less, of Behar and Benares Opium, of 1853-54, will be brought to Sale in the year 1855, on or about the dates specified below. The Board, however, reserve to themselves the right of altering these dates, should circumstances render it expedient to do so :—

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1813, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium, declared as above for Sale at the Twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November, and December, 1855, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year, within thirty days after the publication of this Advertizement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 53,319 Chests of Behar and Benares, as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose :—

* Article 6th. With regard to the Trade in Opium, it is agreed between the high contracting parties, that at each of the periodical Sales of that article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that each supply shall not exceed Three Hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much on reduction of the Three Hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the *Government Gazette*.

By Order of the Board of Revenue,

Junior Secretary.
